

CLUB K-TOWN SECURITY

Club K-Town is a gathering place for the ages of 15 to 20. While we do want everybody to have fun, our main priority is the safety of every one of our teen patrons. We believe that teens can have more fun in a safe controlled environment when they do not have to feel concerned about their own safety. We want our teens to feel safe and we want our parents to feel secure, and would like to share the safeguards Club K-Town has implemented to provide this safety. K-Town has partnered up with Keep the Peace Security, a professional security company, certified by the Seattle Police Department.

SCREENING

When your child arrives at K-Town, he/she is first checked to see if they are in compliance with our dress code. (see our dress code link on main page). Then he/she proceeds to empty all belongings from their pockets. These items as well as all bags or purses are then thoroughly searched by hand. Each individual then gets screened from head to toe from a hand held metal detector. If we smell any alcohol on a patron's breath, he/she will not be allowed to enter. To discourage patrons from leaving the club and possibly consuming alcohol, we do not allow "ins and outs", meaning no re-entry is allowed after leaving. If your child decides to leave, he/she will not be allowed to come back that same evening.

To some of you, these measures may seem excessive, but as a new club, we wanted to set a disciplined tone from the very beginning as just a way of prevention, and not because we anticipate a "bad" crowd.

HOURS & ADMISSION COSTS

Currently Club K-Town is open on Friday and Saturday nights from 9:30pm to 1:30am. For the parent picking up their teen, you are encouraged to be here no later than 1:15am. Cost of admission to Club K-Town can range from \$10 to \$20 depending on the event, and our subject to change. Admission costs are always posted on the event flyers located on the home page.

Parents are allowed to enter and tour Club-K-Town with a staff member escort prior to the start of any event. If that time doesn't work, please call to schedule another time to do a walk-through. Parents will be required to present a valid photo ID upon entry.
